

Do you know someone who...

- may need assistance to remain in their own home (Shopping, Chores and/or Personal Care)?
- has trouble with forgetting things?
- may need transportation or a nutritious meal served to them?
- would benefit from socializing activities such as a day program?
- may be struggling with depression, mental illness, or substance abuse issues?
- may need to be linked to other community services?
- may need protective services against neglect, abuse, self-neglect, or exploitation?

Services?

MAP of Worcester is “one-stop shopping” for aging adults and individuals with disabilities, of all income levels, who need information and assistance about long-term care services or want to plan for future needs. Family members and caregivers trying to support a parent, spouse or adult child can also receive information and assistance through this program.

MAP is committed to encourage safety, health, independence and personal choice for the adults they serve and those caring for them.

The MAP office is located in the Charles & Martha Fulton Senior Center in Snow Hill Maryland. Staff from the Worcester County Commission on Aging, Worcester County Health Department and Worcester County Department of Social Services work together in this office. Services can be accessed by calling or visiting our office.

VISION

We envision a Worcester County in which elderly, vulnerable and disabled adults receive consolidated, quality care that is efficient and effective in supporting full quality of life.

MISSION

With respect for the dignity of each elderly, vulnerable and disabled adult, we will promote self-determination in each client's effort to attain optimum quality of life in a safe and least restrictive environment by:

- Assessing needs
- Coordinating resources
- Providing supportive services
